

COSMO'S WORLD THEME PARK INTRODUCES

ITS LATEST EERIE ATTRACTION

The Haunted Chambers is a haunted house attraction which is the first of its kind in Kuala Lumpur. It consists of 6 chambers of horror which use animatronics props and life like figures, with each chamber having its own fear and suspense concept. The scare adventure begins in a living room where a host will lead visitors to the entrance of the first chamber. Visitors will experience ghostly scares and thrills as they proceed from one chamber to the next.

The Haunted Chambers promises a truly scary experience as you journey through its 6 chambers namely:

- Spitting Debby – A 6 year old zombie girl who eats flesh and spits out toxic waste.
- Jolt – A prisoner sentenced to death by an electric chair.
- Toxic Terror – A living zombie caged in an industrial toxic barrel.
- Possessed Cupboard – A spiritually disturbed cupboard.
- Air Blaster – A cannon that blasts eerie sounds.
- Live Ghost Actors – Live figures featuring famous ghost personalities.

The Haunted Chambers is located at the 5th floor of Cosmo's World Theme Park. Entrance fees to the chambers are RM7 on weekdays and RM9 on weekends and public holidays and can be purchased at the entrance of The Haunted Chambers. Children under 12 years of age should have a parent or guardian accompanying them.
